

JETOUR T1

ABOUT US

Welcome to Ailita! We are a leading provider of automotive modification accessories, specializing in premium solutions for models such as the Tank300, Jetour T2, ICAR03, X70, and Xingyue L. In addition to our standard parts, we also offer bespoke customization services to meet all your vehicle modification needs. We are committed to delivering the highest quality modification accessories with the utmost precision and cutting-edge technology.

WHY CHOOSE US

Factory:

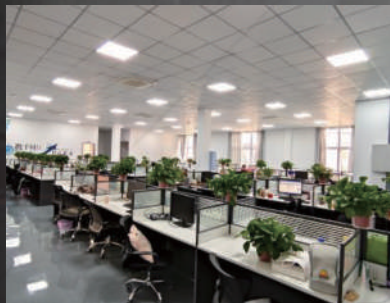

Our factory is equipped with world-leading production machinery and high-precision testing instruments, dedicated to providing high-quality automotive modification parts.

Delivery:

Ensure fast, accurate delivery by partnering with top global logistics companies.

Exhibitions:

Have participated in automotive modification exhibitions and industry trade shows.

FOCUSED ONE-STOP MODIFICATION

One-stop purchase for all vehicle parts is more cost-effective
